Complaints Policy

VERSION 3 | AUGUST 2026

1 Introduction

- 1.1 This policy applies to SidLife Limited and seeks to ensure that SidLife's complaints process is flexible and responsive to the needs of individual residents to enable them to be heard and understood.

SidLife complies with the Complaint Handling Code (the **Code**) issued by the Housing Ombudsman Service. All complaints dealt with under this policy will be dealt with in a manner consistent with the Code and the Charity will maintain all records as required by the Code.

Where a complaint response is handled by a third party (e.g. a contractor or managing agent) at any stage, it will form part of the two stage complaints process set out in this policy. Residents will not go through two complaints processes. The Charity will ensure itself that all third parties handle complaints in line with Code, through scrutiny and oversight within its annual report and self-assessment.

- 1.2 A **complaint** is defined as: "an expression of dissatisfaction, however made, about the standard of service, actions, or lack of action by SidLife, its trustees, its own staff, or those acting on its behalf, affecting an individual resident or group of residents.
- 1.3 The word "complaint" does not need to be used expressly for the matter to be considered a complaint. Whenever a resident expresses dissatisfaction SidLife will give them the option to make a complaint. Complaints made by residents may be made by the resident's carer, family members or a representative of a resident and these must be handled in line with SidLife complaints policy.
- 1.4 Complaints can be made to any staff member of SidLife. This can be done in a number of ways which include:
- Telephone (01395 515142)
 - Letter (Head Office, Cotmaton House, Cotmaton Road, Sidmouth, EX10 8QT)
 - Email (House Manager or COO)
 - Face to Face
- 1.5 A service request is a request from a resident requiring action to be taken to put something right. **Service requests** are not a **complaint**. Service requests should be dealt with in accordance with the Residents' Handbook. Failure to deal appropriately with a service request may lead to the matter being dealt with as a complaint.

- 1.6 Service requests will be recorded, tracked and monitored to completion
- 1.7 A complaint must be raised when the resident expresses dissatisfaction with the response to their service request, even if the handling of the service request remains ongoing. SidLife will not stop our efforts to address the service request if the resident raises a complaint.
- 1.8 An expression of dissatisfaction with services made through a resident's survey is not defined as a complaint, though wherever possible, the person completing the survey should be made aware of how they can pursue a complaint if they wish to.
- 1.9 In dealing with complaints SidLife will ensure that:
 - (a) individuals who raise a complaint are listened to and treated with courtesy and empathy;
 - (b) residents will never be disadvantaged as a result of raising a complaint;
 - (c) complaints will be investigated promptly, thoroughly, honestly, and openly; and
 - (d) in dealing with complaints SidLife will comply with confidentiality and data protection policies.

2 Exclusions

- 2.1 SidLife must accept a complaint unless there is a valid reason not to do and will ensure we consider the individual circumstances of each complaint.
- 2.2 The following matters will not be considered as complaints:
 - (a) The issue giving rise to the complaint occurred over twelve months ago.
 - (b) Legal proceedings have begun as defined as details of the claim, such as the Claim Form and Particulars of Claim, having been filed at Court.
 - (c) Matters that have previously been considered under the complaints policy.
- 2.3 Unless excluded on other grounds, SidLife will accept complaints referred to them within 12 months of issue occurring or the resident becoming aware of the issue. Where there are good reasons to do so, SidLife will also consider whether to apply discretion to accept complaints made outside the time limit.
- 2.4 If a complaint is not accepted a detailed explanation will be provided to the resident setting out the reasons why the matter is not suitable for the complaints process and their right to take that decision to the Ombudsman (see details below). The Ombudsman may direct SidLife to take on the complaint.

3 Unreasonable behaviour

We understand that residents can get upset and frustrated when things have gone wrong.

- 3.1 If SidLife feels a complaint is pursued unreasonably, including any actions or behaviours of the resident/representative, these complaints will be reviewed in line with SidLife's unreasonable behaviour policy.

- 3.2 All complaints will be reviewed on an individual basis
- 3.3 If any restrictions are put in place, these will proportionate and demonstrate regard for the provisions of the Equality Act 2010.
- 3.4 SidLife will ensure any restrictions will be recorded, monitored and reviewed regularly and the complainant updated following the review.
- 3.5 Any restrictions in place will not prevent SidLife from ensuring the complaint can be taken through the full complaints process.

4 Accessibility and awareness

- 4.1 Complaints will be dealt with in a manner that is consistent with SidLife's Equality & Diversity Policy and the Charity's duties under the Equality Act 2010.
- 4.2 If any individual making a complaint wishes SidLife to make reasonable adjustments to accommodate an individual's particular needs, they, or their representative, can contact SidLife by phone, email or in person to discuss what adjustments may be possible.
- 4.3 SidLife acknowledges that a high volume of complaints must not be seen as negative, as this can be indicative of a well-publicised and accessible complaints procedure. Low complaint volumes are potentially a sign that residents are unable to complain.
- 4.4 The complaints handling policy will be listed in the Residents Handbook, published on SidLife's website. It will also be hand posted to residents and published in communal areas (delete or update as appropriate) SidLife will consider all requests to provide the complaints policy in other accessible formats
- 4.5 Residents will have the opportunity to have a representative deal with their complaint on their behalf, and to be represented or accompanied at any meeting. We will always follow data protection measures when disclosing any information to a third party.

5 Complaint handling staff

- 5.1 Complaints will be investigated by the Complaints Officer (COO) at Stage One.
- 5.2 Complaints will be investigated by the Appeals Officer (Chairman) at Stage Two.
- 5.3 If the Complaints Officer and/or the Appeals Officer are conflicted, or the complaint relates to the Complaints Officer and/or the Appeals Officer, the complaint should be directed to a manager/ Board Member.
- 5.4 Staff will be suitably trained in the importance of complaint handling.

6 Complaints process

- 6.1 At each stage of the complaints process, SidLife will:
 - a) deal with complaints on their merits;
 - b) act independently and have an open mind but may consider reports of previous complaints that relate to the same issue being complained about;

- c) give the resident a fair chance to set out their position;
- d) take measures to address any actual or perceived conflict of interest; (which may include asking another trustee to investigate the complaint);
- e) consider all relevant information and evidence carefully.
- f) keep the details of the complaint confidential as far as possible, with information only being disclosed if necessary to properly investigate the matter.

7 Stage One of the Complaints Process

- 7.1 SidLife will acknowledge the complaint and make a record, within 5 working days. The acknowledgement will:
 - (a) summarise SidLife's understanding of the complaint (The complaint definition);
 - (b) make clear which aspects of the complaint SidLife is, and is not, responsible for and clarify any areas where this is not clear;
 - (c) summarise SidLife's understanding of what the Complainant is seeking as an outcome;
 - (d) raise any questions that require clarification from the Complainant; and
 - (e) set out the next course of action and anticipated timescale.
- 7.2 SidLife will issue a full response within 10 working days from the complaint being acknowledged. In exceptional cases, if we anticipate that the complaint will take longer to resolve, this will be explained to the resident with a clear timeframe set out for the resolution of the complaint which will not exceed a further 10 working days, without good reason. If any further extensions are required, we will agree with resident regular intervals to update them on the progress of the complaint. Such explanation will also include the contact details of the Housing Ombudsman.
- 7.3 A complaint response will be provided to the resident when the answer to the complaint is known, not when the outstanding actions required to address the issue are completed. Outstanding actions will be tracked and actioned promptly with appropriate updates provided to the resident.
- 7.4 We will investigate the complaint in an impartial manner permitting all relevant parties to provide information. The resident and any third parties involved in the complaint should be given the opportunity to set out their position before any final decision is made. We may delegate the management and investigation of the complaint to another individual.
- 7.5 If the staff member dealing with the complaint is conflicted, or the complaint relates to that staff member, the complaint should be directed to the House manager details are in the Residents' Handbook.
- 7.6 If the complaint involves questions relating to SidLife's or the resident's legal obligations, SidLife will set out clearly our understanding of the respective legal obligations and may seek legal advice before doing so.
- 7.7 If new issues are raised by the resident during the stage one process, these should be dealt with as part of the process if they are relevant. However, if

the inclusion of the new issues would unreasonably delay a response, relate to a different issue and/or are raised after the stage 1 response has been issued a new complaint will be logged.

- 7.8 In responding to the complaint, we will confirm in writing:
- (a) The complaint stage
 - (b) The complaint definition
 - (c) The decision on the complaint
 - (d) The reasons for any decisions made
 - (e) The details of any remedy offered to put things right

8 Stage Two of the Complaints Process

- 8.1 If the resident is not satisfied with all or part of the stage 1 response, they can escalate their complaint to stage 2. This can be done in writing by email, via telephone call or in person. The person dealing with the complaint at stage 2 will not be the same person that responded at stage 1.
- 8.2 The resident does not need to provide reasons for requesting the complaint to be escalated
- 8.3 SidLife will acknowledge the complaint at stage 2 within 5 working days of receipt and will
- (a) summarise SidLife's understanding of the complaint (the complaint definition);
 - (b) summarise SidLife's understanding of what the resident is seeking as an outcome;
 - (c) raise any questions that require clarification from the resident; but acknowledge that reasons do not need to be given for the complaint to be escalated to stage 2;
 - (d) set out the next course of action and anticipated timescale.
- 8.4 SidLife will respond in writing to the resident within 20 working days of the stage 2 complaint being acknowledged, informing them of the outcome of the investigation. This will be the landlord's final response.
- 8.5 If SidLife believes that the appeal will take longer than 20 working days, this will be explained to the resident with a clear timeframe set out for the resolution of the complaint which will not exceed a further 20 working days. If any further extensions are required, we will agree with resident regular intervals to update them on the progress of the complaint. Such explanation will also include the contact details of the Housing Ombudsman.
- 8.6 A complaint response will be provided to the resident when the answer to the complaint is known, not when the outstanding actions required to address the issue are completed. Outstanding actions will be tracked and actioned promptly with appropriate updates provided to the resident.
